BASHFORD P. O .- We learn that a new Pos office has been established in Lufayette County, seven miles east of Platteville, five North of Elk Grove, and six South of Cottage Inn, on the Mineral Point and Calens route via. Benton, New York, and St. Company of the Cottage Inn. Diggings and Elk Grove. S. W. Seely is appointed Postmaster. It was intended to call the office Washburn, after our worthy Representative, but that name having been monopolized by the folks at Newman's Mili, it was named Bashford. the reach of circumstances, as the real estate insured is by
law bound for the assessment made to cover losses beyond
the power of evasion. Every person insured is a member
